

NOTICE TO ALL DRIVERS: The driveway coming into our parking lot from Blair Stone Road is not to be used during drop off or pick up hours. The City of Tallahassee directed us to avoid this driveway for reasons concerning congestion and safety (limited length & limited sight distance to curve.)

Additionally, we ask that you NEVER use the left hand turn lane on southbound Blair Stone Rd to turn into our parking lot. This was our school's commitment to the city planners who approved our traffic plan.

We appreciate your cooperation and willingness to adopt this important safety measure.

### Our Approved Traffic Flow

All pick up and drop off traffic must use Ty Ty Road and the SECOND entrance into the parking lot. Enter and drive behind the Academy making two right turns to come into the loading and unloading zone underneath the breezeway. Carefully exit, turning left onto Ty Ty Road.

If you wish to travel west on Mahan Drive or turn onto Blair Stone Road, please turn right when exiting the lot onto Ty Ty Road and turn left onto Glennridge and left onto Hi-Lo Way where the traffic light will permit a safe left turn onto Mahan.
