Dear Parents,

As with all first days, we somehow managed to survive. Thanks to you it went off without too many problems. We had a few Kindergarten Moms who suffered much more than the actual Kindergartners, a few forgotten lunches and a few why is summer over questions. I am happy to report no child was left at school over night.

I encourage all of you to participate in the CCA forum created by the Pittman family out on Google. The invitation was sent to your e-mail by Debbie theprincessdeb@gmail.com earlier this week. It is a great place to get some ideas and some questions answered. I think lunch is the current topic.

Speaking of lunch, the new LUNCH PAIL order form is out on the web site on the parent's section. Patty Cannella is the chief organizer for this new program to give your children some special treats for lunch this year (Thank you Patty). Forms are due in the office by the 1st Wednesday of each month and to make things easy Patty created a form for the entire semester for your child. Please make one form per child so we do not need to guess which food goes to which child. You can order a semester at a time or one month at a time. Completed forms can be turned into the office in the lunch pail mail box, faxed to the office or emailed to admin@christclassical.com . Your monthly order will be on the next monthly invoice.

The second item is information about the fun run. This is a great chance for you and your family to raise some funds for our scholarship fund and get some exercise together as a family. Mrs Hines will be generating more information about this activity. Thanks to all who are working on this Fall project.

Homework links and classroom newsletters will be posted out on the Homework page of our web site. It is under the community tab off the main menu. If you happen to lose your copy in the void of the backpack you can find the news there.

As I get a bit more organized in the office, I get will get a list of forms we need to get turned in. The main ones are the medical forms.

Thank you and let's have a great school year.
