### Supply List

on Parent section of the web site

### Moms in Touch

Moms in touch will be meeting on Thursdays this year from

1:25pm until 2:00pm. It is a great chance to meet and pray for our school, the teachers and the students.

Child care can be provided at \$2 per child,

Sally Jo Roorda is the contact for Moms in Touch.

### Welcome back

### Ladies Tea

I heard things went well at the tea and a few treats came into the office. Thank You Nancy for hosting and all those that attended.

I heard rumors of of another tea later in the Fall.

### Upcoming Events:

Fun run kickoff for students August 31st at noon

Lunch Pail Orders Due Sept 2nd

Labor Day Sept 7th No School

All School Chapel and formal day Sept 16th

Upper School Fellowship Sept 25th

Lower School Fellowship October 30th

### Dear Parents,

I hope your children have had a good first week here at CCA. On Monday at noon we will kick off the fun run for the students. Mrs. Hines will be leading us in the activity. Make sure you ask your child about what happened Monday night. Mr. Eller will be starting Cross Country on Tuesday. (3:30 to 4:15) on T, TH & F

Next week we will be enforcing tardiness and dress code violations. The children have received warnings this week. We start class at 8am each day. You can enter the classrooms at 7:50 for books and items not taken home.

Upper School 7th and up, you should be prepared to go to your 1st class in the morning without going to your homeroom. Please remember you have Math on M.W and F and Omnibus on T & TH.

If you come late to school you need to report to the office and sign your child in for the day. ( Notebook on the podium has the form ). Then you may go to class. Do Not have your child just run to class.

If your child has an appointment or you need to leave school early, please once again come into the office and sign your child out. It is very helpful if you give a note to your teacher in the morning about the appointment so the teacher can be prepared.

This year after 5 tardies in the morning your child will receive a silent lunch period.

Thank you and let's have a great school year.

*Health Notes: While no one is sure of the severity of the upcoming flu season, we are taking the following actions to help protect your students:*

- 1) Appropriate cleaning procedures with an effective disinfectant are in place. Our wonderful cleaning staff will be daily disinfecting all commonly touched surfaces (i.e. restroom fixtures, cafeteria tables, etc.).
- 2) We will be reminding the students to wash their hands.
- 3) Hand sanitizer is available for the students to use throughout the day.
- 4) Students that become sick while at school will be sent home.

*You can help by working with us in the following areas:*

- 1) Remind your students to cover their nose and mouth with a tissue when they cough or sneeze. Throw the tissue in the trash after it is used. Covering their coughs or sneezes using the elbow, arm, or sleeve instead of the hand when a tissue is unavailable.
- 2) Remind your students to wash their hands often with soap and water.
- 3) Remind your students to avoid touching their eyes, nose, or mouth. Germs spread that way.
- 4) Teach your students not to share personal items like drinks, food, or unwashed utensils. It helps if each student has a Water bottle and it should not ever be shared. The common drinking

fountain should be used sparingly

5) If your student exhibits flu-like symptoms, including headache, fever (100 degrees Fahrenheit or greater), cough, sore throat, runny or stuffy nose, body aches, headache, feeling very tired, or diarrhea and vomiting, it is very important that you keep them home and seek medical treatment. Students should stay home until they are fever free for 24 hours without fever-reducing medication. Keeping sick children home helps to prevent spreading the disease to others.

## CCA Forum,

I encourage all of you to participate in the CCA forum created by the Pittman family out on Google. The invitation was sent to your e-mail by Debbie [theprincessdeb@gmail.com](mailto:theprincessdeb@gmail.com) earlier this week. It is a great place to get some ideas and some questions answered. I think lunch is the current topic.

## Clothes Closet

The closet has many slightly used items that are available. Nancy Cahill has it all organized so stop in a pick up a few things that might fit your growing child. It is free and a service of the school.

## Dress Code hints:

The children are coming in great shape in the morning. A few first week FAQs and hints:

- 1) Your child can always dress formal if they would like on a regular dress code day
- 2) PE Days are Wednesday for grades 1 & 2, Thursday for Grades 3 to 6, Wednesday for grades 7 & 8 so please make sure your children bring their outfits on that day.
- 3) If your child is wearing a dress or skirt to CCA please remember bike shorts under them as on all days there is a recess period.
- 4) Boys shirts should be long enough to tuck in. What might fit in the shoulders does not length wise.
- 5) Outwear worn to school that is taken off can be very flexible but if your child is wearing the sweater or jacket all the time it needs to be in dress code. Solid color, navy.
- 6) Lunch bags and boxes should not be logo items but as neutral as possible.
- 7) Names on items is very helpful or keep the Land's End website bookmarked on your computer
