A request that the families to read through Genesis together as a family this summer

Dear parents, A note from Paul Shackelford

Dear parents,

Hope you are having a great summer. We (I) have taken some advantage of the end of the year to rest up a bit at CCA and have fallen a little behind for the summer.

I am excited about 2009-10 coming up in the fall and the great things that I am sure God will do in the lives of all our students. The Middle School and High School reading list are listed in this e-mail. The lower grades will continue to follow the Boni Libri procedures for their summer reading assignments.

A few things have been happening this summer. We continue to offer tours and information about our school to interested families. We still have openings in all grades and please continue to pray for God to bring families to our school.

It is exciting to see a few of your children taking advantage of the basketball camp here at our location and I hope a few took advantage of the special deal American Karate studios had for our students.

I wanted to send this out today, as Land's End is having a big sale in school uniforms. I believe polo shirts are for a deep discount price. We are looking at the dress code for 09-10 and if you look at polo shirts in the approved colors and Khaki colored shorts. (Black is being dropped at Upper levels, White is being dropped at the lower level). The dress code details out are due out very soon and one of the conditions of the dress code group was that this code would not be modified for three years from this point forward.

I am looking at having an after school program here at CCA for next year. I am sending this out for levels of interest. The program would be an additional charge and the provider would monitor the children in their homework assignments or reading assignments. There would be a daily or monthly charge and emergency charge for those days that emergency care is needed. Let me know you interest and hopefully we can have the program in the Fall.

I will be sending out more Fall details as we get closer to the beginning of school and I will be updating the web site with more details.

Thanks you and have a blessed summer.

Paul Shackelford
