

Caylor Castle Newsletter Highlights

It was so nice to see you at the auction last night. It is always fun to see everyone outside of the normal "CCA walls". ☺ Due to the night's festivities, I am not putting out an official newsletter....but here are some highlights for the upcoming week ahead.

- Spelling Word List is attached. I photocopied the words directly from the Ayers List. The kids are doing great!
- In history we have been studying the Council at Chalcedon. The children should be ready for a test on Thursday, Nov. 20th.
- This week's scripture memory verse, Eph. 4:25-27, is attached.
- Sharing God's Love: Class Fundraiser

So far, the class has raised over \$60.75 for our "Sharing God's Love" class fundraiser. This month, I wanted the students to focus on all that we are so richly blessed with and to focus on helping those in much need. Therefore, each student's SPARK translates into 25 cents for the month of November. With the money the students' raise, I will donate the earned money to "Gospel for Asia". The students will decide how to spend the earned money through a catalog of various needed gifts such as mosquito nets, water filters, blankets, and Bibles. I will keep you posted on how much the class is earning and how they have decided to spend their money. It is very sweet seeing how much the students are excited to provide things for others.

Have a wonderful weekend!

In Him,

Julie Caylor
