Schedule Change

for the upper school Tuesday and Thursday classes. The 9th grade writing course will be only one day a week on Friday. The other two class periods will be a Public Speaking and Speech course. This course will meet Tuesday 2nd Period and Thursday 1st period.

The other periods on Thursday will be adjusted to meet this schedule.

Period One will be

7th 8th Science with Mrs Drury

Dear CCA Families

Welcome back,

Hard to believe it is January already, but off we go to the second semester. The material in the classroom gets a little harder as all the teachers hit the ground running right out of the break. Please keep your children up to date on the early semester assignments as falling behind on assignments was one of the main reasons for struggles in the 1st semester. Most assignments are posted in newsletters or on the portal section of our website.

We have our second semester picture retake day on Monday the 10th. The first formal day of the semester will also be on that day. Some of the classes will be retaking the class pictures at that time. Please try to be on time that day and in your formal uniform.

Our re-enrollment period for 2011-12 will be kicking off with our Open House on January 20th at 7pm here at the school. We will be detailing our plans for next year and showcasing some of the work that has been done this year. Please be in thought about your plans for next year and be thinking of other families who might benefit from Christ Classical Academy. It is of great help to the school if we know families intentions early in the year rather than in May.

During this semester we will have our second annual fundraising banquet. This year the banquet will be on March 3rd. Our guest speaker will be Dr. J. Budziszewski from the religion department of the University of Texas. Dr. Budziszewski has authored numerous books about our struggle to remain Christian in college and God's Law written on our hearts. We will be asking for folks to sponsor tables and invite others to hear Dr Budziszewski as well as information about our school. This is a great opportunity to introduce more people to our school, raise awareness of why we are concerned about our childrens' education, and raise some funds for the scholarship account.

In His Service,

Paul Shackelford
