## News:

**A-Day:** On Friday of this week your child should be prepared to share a synopsis of their chosen cultural aspect of Greece. This will be graded. I expect the students to be able to share facts about their aspect, including how it has influenced modern culture. They may **glance** at notes, but this should be, for the most part, memorized and delivered with **EXPRESSION**. If you are bored hearing your child practice, then we probably will be too. Help them make it exciting to hear!

**Boni Libri:** The count so far is 1 out of 6 turned in. Go Aidan!

**Geography:** If you are wondering what happened to Science... During the 3<sup>rd</sup> quarter we are replacing Science with Geography to go along with our study of Alexander the Great.

**Field Trip:** If you guys remember at the beginning of the year, we discussed going to the Biblical History

Museum. I think this would be a great experience for the kids. I am planning the trip for the beginning of May—probably May 3<sup>rd</sup>-4<sup>th</sup>. Please let me know if these dates would work and if you are still interested in going.

Scripture Memory for this week  
is Ephesians 4:7-8

<sup>7</sup> But to each one of us grace was given according to the measure of Christ's gift. <sup>8</sup> Therefore He says:

"When He ascended on high,  
He led captivity captive,  
And gave gifts to men."<sup>9</sup>

Do you ask what the birds say? 'The  
Sparrow, the Dove,  
The Linnet and Thrush say, I love and I  
love!

In the winter they're silent -- the wind is  
so strong;

What it says, I don't know, but it sings a  
loud song.

But green leaves, and blossoms, and  
sunny warm weather,

And singing, and loving -- all come back  
together.

But the Lark is so brimful of gladness  
and love,

The green fields below him, the  
blue sky above,  
That he sings, and he sings; and for  
ever sings he --

I love my Love, and my Love loves  
me!
