

Greetings Parents,

As Logic and Rhetoric School Principal, I want to warmly welcome you tonight and to personally commend you for answering God's call as parents in Proverbs 22:6, where it says, "Train up a child in the way he should go, even when he is old he will not depart from it."

I firmly believe classical Christian education is the most proven educational system available. Since my introduction to the concept at seminary the Lord has lead me to teach at classical schools. In the classical Christian system of educating, it is vital to the full development of our students that they finish all three stages of the Trivium. Completing the rhetoric stage equips students with skills in communicating arguments to others that are often beyond that of a typical college graduate.

All education should have Christ as the center, and the rhetoric school has this in correct focus. CCA Rhetoric School will increase your child's Biblical literacy through a rigorous and theologically sound curriculum. From diverse courses ranging from Chorus to Literature to Physics to Theology Christ is the center and He is and will remain at the core of all topics taught at CCA.

I personally believe my calling from God is to be teaching the next generation, and I will do this to the best of my ability and for as long as I am able. Here at CCA I can assure you that you will find Biblically-based, Christ-minded men and women who feel it is their calling to serve the God of all creation by educating the next generation of Christ followers in Tallahassee Florida.

I implore you to pray and consider finishing the education your child has begun and you have invested in. I enjoy the privilege of partnering with you in the education of your children. Together lets watch as God's plan for the lives of these young men and women unfold. We will see them grow in the grace of knowledge of our Lord and Savior Jesus Christ. It is our prayer to see in them as they graduate; Virtue and mature character, Sound reason and sound faith, A masterful command of language, Well-rounded competence, Literacy with broad exposure to books, and an established aesthetic.

Graduates will be articulate disciples of Christ who can defend the hope that is within them. As a parent you can rest knowing that here at CCA your child has been trained in the nurture and admonition of the Lord.

Sincerely,

Eric Hoffmann
